

Covid testing information:

Hospital Metropolitano – many of our clients use them and we did as well, about 15 min drive from the house.

PCR Test \$120 / Antigen/rapid test same day results via email \$60

If you want to make an appointment please fill out the online form @ www.mipruebacovid.com you will then need to send the information you receive to Metropolitano via whatsapp (we recommend you download this app before you go if you don't have it as its used by everyone in Costa Rica) +506 8465 7484. They will then make the appointment for you.

You will need to know our house details for the online form:

Province: Guanacaste, Municipality: Santa Cruz, District: Tempate

Address: Casa Pacificque, 500 Meters North of the Potrero Soccer Field, Camino Las Catalinas

Beachside Clinic – many clients have used them as have we. For \$50 extra they can come to the house and do the test.

To schedule and appointment call or send them an email.

PCR test \$90 / Antigen cost \$55.00

Fill out the online form @ www.mipruebacovid.com you will then have to send the information you receive to the clinic at the email listed below.

Email: covidtest@beachsidecliniccr.com

Website www.beachsidecliniccr.com

WhatsApp +506 8937-3353 or call +506 2653 9911

You will need to know our house details: same as above

In- home service via the Beachside Clinic- \$55.00 for Antigen + fee for travel cost for Doctor.

Bring your own

We have some clients that have brought their own tests to do at home. Here are two websites that our American clients have shared with us. Switch Health in Canada sells kits as well for Canadian travelers.
